

School of Materialist Research: Intensive Study Courses—Fall Semester- October 1st 2021 to
January 15th, 2022.

APPLICATION FORM

*Please note that all prices listed in the call are for individual courses, and that acceptance into one course does not grant access to all of the courses. Be sure to select all of the courses you wish to enroll in. Likewise, certificates are available free of charge for all students from the Netherlands, for the students of Technical University - Vienna, and for ISSHS students. All applications must be submitted no later than **September 23rd, 2021**. Acceptance will be based on a combination of: academic achievement, relation to the relevant fields, and motivation for enrollment. Applicants do not necessarily need to have the formal level of education that is equivalent to second and third cycle university study programs; in case they do not, the motivation letter and the short bio should suffice to assess their ability to follow the course.

1. COURSE SELECTION (PLEASE SELECT ONE OR MORE COURSES)

- Achille Mbembe: Theory in Times of Pandemic
